Foreword

A school annual

is not a new idea, but it

is our purpose in publishing this

book to bring you a new and fresh volume,

filled with ideas and people who for the present

are your close companions, but in later years shall be-

come only pleasant memories.

Blue and silver, our cover colors, we think, are suggestive of our theme, "Moonlight and Roses." Moonlight and roses suggest grace and beauty, timelessness and freshness, and in each page we have tried to incorporate these features. Such is this book.

Dedication

In this community a certain few seem to rise above the others. Some surpass in wisdom. A few gain fame because of riches. Then there are those who win admiration because of an ever-growing beam of personality.

To a member of this last group we dedicate our 1958 Bulldog. Her constant friendliness and willingness to help has made Flatonia High School a better place in which to learn and work.

We dedicate the 1958 Bulldog to our sponsor, Mrs. Albert Ford.

Dear Friends:

The privilege of serving as superintendent of this school gives me an opportunity to know you, the students who make this publication possible, and affords much pleasure and many interesting experiences. One of the outstanding observations is that many of you have learned the effect of your high school preparation upon your future usefulness and happiness. My confidence in you prompts me to believe that you will continue to manifest learning abilities and that you will do independent thinking.

Through the years to come let us hope that you will continue to uphold the faith of your alma mater and that you will return to the campus for many enjoyable visits.

Sincerely,

Albert L. Ford

Student Council

A successful homecoming was one of the accomplishments of the student council this year. The Jureck's Brothers Orchestra furnished the music for the dance and all seemed to enjoy themselves.

The student council was in charge of the football banquet this year for the first time. Co-operation on the part of the classes contributed greatly to the success of the banquet.

The council also sponsored a party for the high school. There were dancing and table games.

High school and grade school participated in a Science Fair sponsored by the student council. There were four divisions and ribbon awards were given in each division. The Science Fair was held to create more interest in science.

The first issue of the XIV volume of the Bulldog Barks was published the second week in September. This school year the staff published fourteen issues including a special Christmas edition.

This year six volumes of past Bulldog Barks editions were bound. The covers are of red cloth bookbinding.

In November the Staff attended a Student Activities Conference at Southwest Texas State Teachers College, San Marcos, Texas; in May the Interscholastic League Press Conference, at the University of Texas.

Future Homemakers Of America

The 1957-58 school year proved to be a very busy one for the Flatonia Chapter of Future Homemakers of America. The months of September and October found the FHA installing officers and initiating freshmen. In November the chapter presented the color guard at the District Meeting in Moulton. The annual Sweetheart Ball given by the FHA and FFA was held during the latter part of November. December found the FHA sending Christmas cards to the State T.B. Hospital, and toys to the State's Orphan's Home. The Christmas program held with the FFA took place the Friday before Christmas. The early part of March found the FHA and FFA traveling to Houston to the Fat Stock Show. Later in the month the FHA again traveled to Houston, this time to the University of Houston for the Area Meeting. The highlight of the month came with the election of 1958-59 local officers. FHA Week provided many activities for the month of April. Flowers were sent to local churches and the faculty, fruit to elderly people, and good deed day. The Parent-Daughter Banquet, assembly program, hobo day and the State Meeting in San Antonio provided other activities. The Senior farewell party and open house for the eighth grade girls concluded a very busy and successful year for the FHA.

FUTURE FARMERS OF AMERICA

F.F.A. And Its Work

The Flatonia High School FFA Chapter began the year with 52 members, and a new school year with many goals to accomplish. The chapter program of work was developed, but to mention all the goals at the present is impossible. However, as in the past, our project program has been quite successful. Last year four members earned the Lone Star Farmer Degree. Chapter delegates attended all district, area, and state meetings and conventions. Two FFA monuments were erected at the entrances to our city. Our shop has been equipped with three electric welders, thus improving our shop instruction. Other equipment has also been added to our shop through the war surplus program. The fat stock show and sale was quite successful and was soon followed by the annual Parent-Son Banquet. Four new members received Registered Duroc Gilts and these students are to again furnish foundation breeding stock to future agriculture students. Outstanding students in FFA activities received plaques in recognition of their work. Our year is not completed, for many goals are yet to be reached, but the completed goals have been a credit to our school and organization, and we are still progressing toward other goals.

COACH
JAMES BRIGGS

ASSISTANT COACH
MARVIN FINGER

When we look back on the 1957 Bulldog football season, it won't be to remember each game in detail, what the score was, who made the winning touchdown, or even who we played - it will be the hard work, good times and battles fought and won by sticking together that will be most important.

We had a good season, only one loss in district play and that to a team that later won regional. Our entire season's record, though not quite as impressive as district play was still better than average with a five won-four loss record. With football as evenly matched as it is today, any time you win more than half your games, the season has been a successful one.

The most outstanding features of the 1957 Bulldog team were in the teamwork and "hustle" of the boys. This was a team, not eleven individuals. These boys were willing to sacrifice the pleasures that an athlete must in order to give his school his best. Win, lose, or draw, this team was always willing to work hard and do its best.

We had eighteen lettermen with Larry DeWitt, Max Steinhauser, Si Carr, Walter Maeker, Robert Richter, Ed Baca and Thomas Kelly playing their last football for Flatonia High School. We were very fortunate in placing four boys on the all-district team--Larry DeWitt, Si Carr, Max Steinhauser, and Botchey Cook. This is not only an honor for the individual, but for the team he represents.

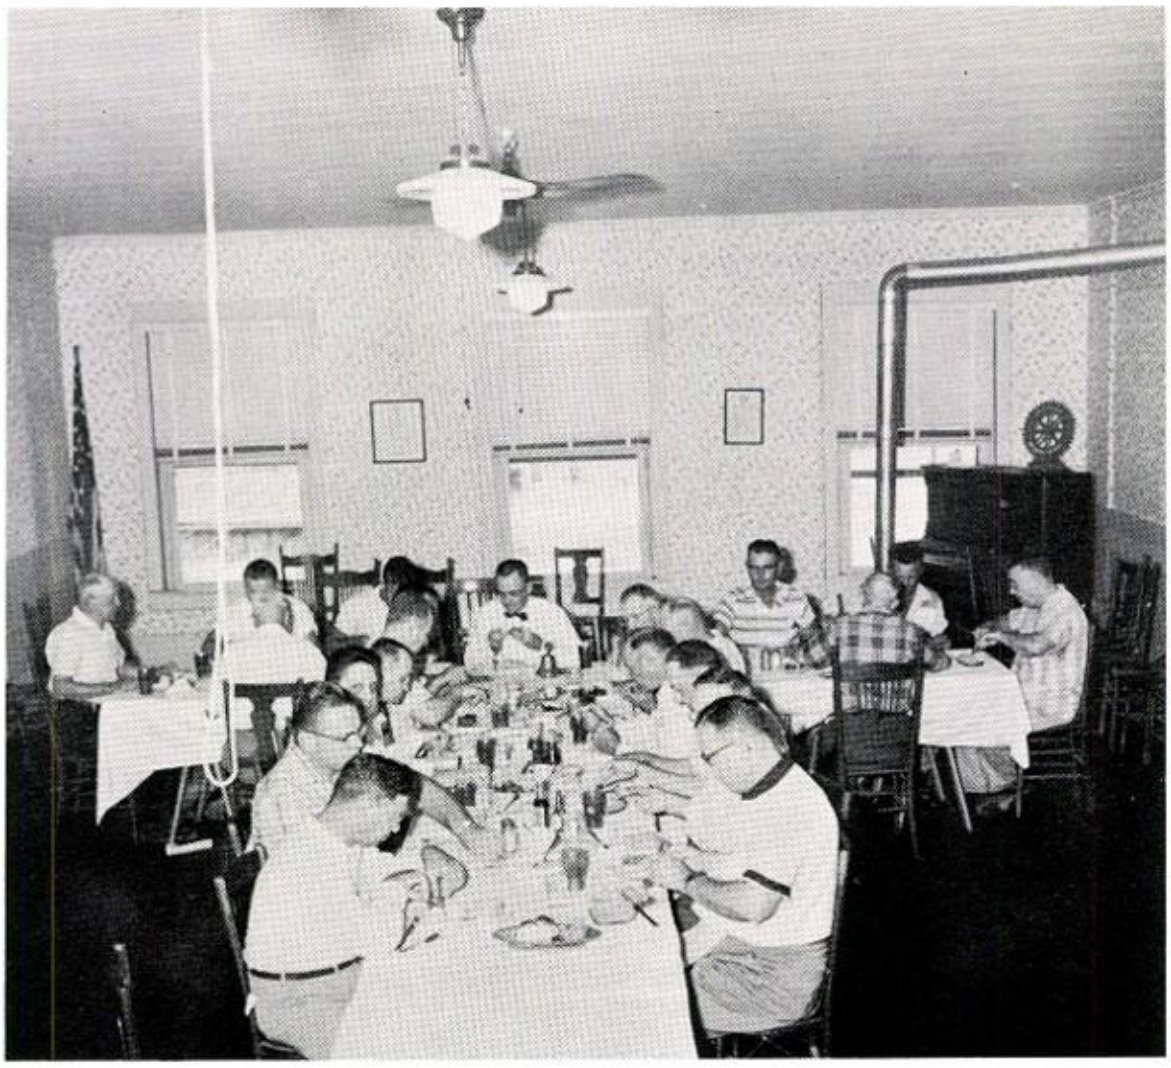
FLATONIA STATE BANK



THE FLATONIA ROTARY CLUB

Rotary is a world fellowship of business and professional executives who accept the "Ideal Of Service" as the basis for success and happiness in business and community life. In Rotary, thoughtfulness of others is regarded as the basis of service, and helpfulness to others as its expression. Together they constitute the Rotary "Ideal of Service".

The local Rotary Club is composed of 26 members. The Club meets on Friday at 12:15 in the dining hall above the City Cafe. The meal is served and is followed by a program.

One of the big community projects of the local club is the awarding of a fine watch to the outstanding boy and girl graduate of the local high school. Through an elaborate rating system, the local teachers rate the members of the Senior class. The rating sheets are placed in a sealed envelope and turned over to a committee of the Rotary Club to compile the final score. The name of the boy and girl selected to receive the watches is kept secret until time for them to be presented at graduation exercises.

The President of the Flatonia Rotary Club is Dr. Albert L. Ford, the Secretary is Mr. Leon Kainer, and the Vice President is Mr. W. D. Johnson.
